

## Monterey Fun Foods program

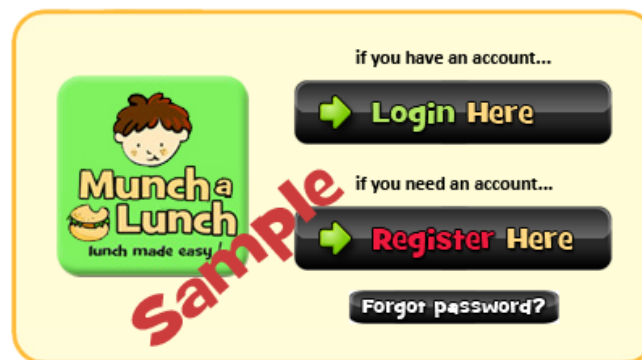

Hello Parents,

Fun Foods is Monterey Middle School's lunch program which will run **every Tuesday** through the school year. Students may order from a selection of hot/cold lunches and all proceeds go to valuable programs to improve our school.

Parents will place their hot lunch orders ONLINE using [MunchaLunch.com](http://MunchaLunch.com). The first Fun Food date is Tuesday 25th September and to ensure lunch on that date, orders need to be in before 18th September. If you miss this deadline, don't despair, you can still order for the other dates in the year

### HOW TO REGISTER:

- 1) Go to: [www.munchalunch.com/schools/monterey](http://www.munchalunch.com/schools/monterey)
- 2) Click the "**Register Here**" button (as shown below). The system will guide you through ordering for the year.
- 3) If you registered last year, your login and password still exist.
- 4) Make sure you choose the correct grade and division for your child.
- 5) After adding your children, click the green "Order Lunch!" button to order lunch for each Fun Foods day this year.
- 6) Next time, just click the "**Login Here**" button to access your account.

### A few notes:

- If your child would like to choose the same lunch every Fun Foods day, you have to still go through each date and choose the items you want. There is no shortcut.
- If you need assistance with ordering, or do not have access to the internet, please contact Sharon at [Shaz.Dowling@gmail.com](mailto:Shaz.Dowling@gmail.com)
- See our FAQ's, attached.

We appreciate your support for our Fun Foods program as the funds go towards various PAC initiatives including our new playground area which, as you can see, is really benefiting the student population.

We are always in need of **Volunteers** to help sort the pizza. It only takes about an hour and half on each day from roughly 11:30am to 1.00pm. Please email Sharon if you would like to volunteer.

*Our thanks to the Monterey parent community for supporting this important fundraiser and to our wonderful volunteers who help make this program a success!*
