As this is a generalized grade-wide supplies list and individual school supply needs will vary from one class and teacher to another based on their particular approach to learning activities, we **encourage students/parents to purchase only the most essential school supplies in advance** (i.e. lined paper, black pens, pencils & eraser, etc.) and **wait to purchase other supplies until students have been assigned to their classes/teachers during the first days of school in September** at which point students will find out which supplies are most relevant for their assigned classes/teachers.
