

Monterey Music Parents Association (MMPA)

Welcome new and returning music parents to the Monterey Music Parents Association (MMPA)! We have an important voice in our children's musical education. We support and collaborate with Monterey's music teacher, Ms. Michelle Dyer, to make this program the best that it can be.

The MMPA spearheads various fundraisers throughout the year, raising money to purchase sheet music, instruments, and other equipment for the music program. Our efforts also make it possible for our music student to travel, defraying costs, while giving them unique performance opportunities and the chance to develop their musical potential.

This year, we're hoping to continue our annual Vancouver music trip! With that, we'll be focusing on making sure that every eligible music student who would like to go on the trip gets the opportunity to do so!

We are looking for parents to join the MMPA to help make this happen!
