We hope that you are enjoying the brighter days, sunshine and sprinkles and have also managed to glimpse the most famous current resident of Oak Bay, Emerson the elephant seal (in quiet of course). Here's an update on the news you need to know from the PAC this month. Please reach out as always with questions or concerns.

Drum Making Workshop

The Indigenous drum making workshop on **May 9th** has a few open spots.

It will be an **all day event, from 9 a.m. to 3 p.m.**

While the parents are making the drums, classes may be brought down to observe part of the process.

This is a very special and unique opportunity for parents to participate in an aspect of indigenous culture and education.

Please email PAC directly at executive@montereypac.com if you haven't already signed up and are interested.
