Designed just for middle school students, our Wednesday zero-cost drop-in is a fun, welcoming, and supervised space where youth can relax, connect with friends, and enjoy some awesome activities. Challenge someone to a game of pool, foosball, air hockey, or table tennis, dive into board games, or kick back and watch Netflix on the big screen.

With caring staff on site and a positive, inclusive atmosphere, the Youth Centre is a safe space where everyone belongs. Whether you're coming to compete, hang out, or just unwind after school, Wednesdays at the Youth Centre are all about fun, friendship, and feeling at home.
